Wideband for HD audio

plantronics®

Multi-lingual and multi-talented

M90

The Plantronics M90 Bluetooth® headset delivers HD audio clarity on your wideband-enabled phone, speaks three languages, plus it lets you control your music and streaming media.

M90

Discover HD audio clarity. The Plantronics M90 Bluetooth headset is multi-talented: it delivers enhanced HD audio clarity when used with wideband-enabled smartphones and mobile service, lets you control your music, and speaks three languages. If you forget it in the car or at the office, the M90 knows to enter its DeepSleep hibernation mode to conserve the battery. Using the lightweight and comfortable M90 is so easy that you can finally free your cheek from your smartphone.

LASTING COMFORT + EASY CONTROLS

- During set up, select one of three language options for status alerts on remaining talk time, battery level, and more
- Control your music and streaming audio using headset buttons instead of your smartphone
- Reduces noise, wind, and echo from calls and delivers HD audio clarity when used with wideband-enabled smartphones and mobile service
- DeepSleep hibernation mode activates when out of range from your paired phone, keeping the headset charged up to six months
- Free Plantronics Find MyHeadset app for Android™ smartphones helps you locate your lost headset
- Onscreen headset battery meter is automatic for iPhone and is enabled for Android smartphones using the free Plantronics battery widget for Find MyHeadset app

INCLUDED ACCESSORIES

2-in-1 charging cable charges your headset and phone simultaneously
